

Share Your Opinion On High-Speed Internet Services in Oswego County!

Oswego County government is seeking information that could be helpful in our efforts to bring high quality broadband (high-speed Internet, phone and television) service to residents of the county.

If you would like your voice to be heard on this issue, please take and complete a survey (1 per household) and return it by Nov. 17 to:

Oswego County Dept. of Community Development, Tourism and Planning
46 E. Bridge St., Oswego, NY 13126 or drop off at your city, town or village clerk's office.

Thank you.

Barry Leemann
Chairman, Oswego County Legislature

Broadband is a high-speed, large capacity network that is able to carry several services (Internet, data, telephone, television) at the same time. Information from this survey will be used to help determine interest in providing broadband service to residents and businesses throughout Oswego County and to support grant applications. The survey asks about current services and interest.
