

GEOGRAPHIC INFORMATION SPECIALIST

Oswego County Office of Real Property Tax Services

Oswego County has an immediate opening for a Geographic Information Specialist to oversee the development, maintenance and operation of the (GIS) function within the Office of Real Property Tax Services.

Desired Qualifications: bachelor's degree in Geographic Information Systems; OR an associate's degree in (GIS) and two years of experience in administering a (GIS) or other computerized mapping and assessment system. May 2008 graduates are encouraged to apply. A civil service examination is required.

Salary: \$17.46 per hour plus competitive benefit package.

Review will begin April 21, 2008 and continue until position is filled. Send application and resume with letter of interest to:
