

Access instructions - Public Waterfront Access Study

Open “waterfront parcel inspection form.accdb”

Enable content (button near top of the screen will either read Options or Enable)

A box will pop up, enable the content

Double click on **waterfront_profile** on left side of the screen

You are now viewing the site profile for the first parcel in the study

At the bottom of the screen it says **Record**, to the right of this are arrows you can use to scroll through the site profiles

Hyperlinks at the bottom of the page will take you to the associated photos
