The County reserves the right to reject any proposal where an investigation of the available evidence or information does not satisfy the County that the Vendor is properly qualified or able to carry out the obligations of the contract and to provide the services contemplated herein.

**AWARD**

The award will be based in part on an analysis of the following criteria: technical and esthetic qualities of the proposal, reliability, vendor’s ability and facilities to provide the service called for, evaluation of the vendor’s proper understanding of the County’s needs, and price. The contract shall be awarded to the responsible firm who best meets the RFP’s criteria in the opinion of the County.

Additional selection factors may be included under the SPECIFICATIONS section of this RFP.

The Vendor must provide unquestionable evidence of sustained capability of providing the services requested and proposed, such as can be demonstrated in existing or previous operations.

The County may award a contract based upon the proposals received, without discussion of such proposals with Vendors. **Each proposal should, therefore, be submitted in the most favorable terms the Vendor can make to the County.** The County of Oswego does, however, reserve the right to request additional data or an oral presentation in support of the written proposal.

Submission of a proposal does not automatically qualify a Vendor for a presentation. The County reserves the right to negotiate with all qualified Vendors.

The County of Oswego, in accordance with the provisions of Title VI of the Civil Rights Act of 1964 and New York State Executive Law affirmatively ensures that the contract will be awarded without discrimination on the grounds of race, creed, color, disability, martial status, age, sexual orientation or natural origin.

All proposals over \$5,000 are subject to final review and acceptance by the Oswego County Legislature before any award of contract may be made. Receipt of proposals by the County shall not be construed as authority to bind the County.

All proposals shall be firm for a period of sixty (60) days after the opening date in order for the County to determine which proposal best meets the public interest. The County reserves the right to extend said period.

At the discretion of the County, the successful Vendor must provide Letter of Commitment within thirty (30) days of acceptance.

The County reserves the right to cancel the contract at will. If the Vendor fails to perform under the contract, fails to meet specifications, or fails to make satisfactory progress so as to endanger the overall contract performance, they may be determined to be in breach and the contract may be terminated by giving written notice to the Vendor of such termination and specify the effective date thereof, at least five days before the effective date of such termination. In such event, all finished or unfinished documents, data, and reports prepared by the Vendor under this contract shall, at the option of the County, become County property and the Vendor shall be entitled to receive just and equitable compensation for any work satisfactorily completed hereunder.

The Vendor shall not be relieved of liability to the County for damages sustained by the County by virtue of any breach of the contract by the Vendor, and the County may withhold any payments to the Vendor for the purpose of determining the exact amount of damages due the County.

The Vendor understands that the contract may be terminated due to non-appropriation of funds.
