VENDOR'S QUALIFICATIONS & ELIGIBILITY

The County may make such investigation as it deems necessary to determine the qualifications and ability of a Vendor, and the Vendor shall promptly furnish the County all such information and data as the County may request for this purpose. The County reserves the right to reject any bid where an investigation of the available evidence or information does not satisfy the County that the Vendor is properly qualified or able to carry out the obligations of the contract and to provide the services contemplated herein.

AWARD

The award will be based in part on an analysis of the following criteria: technical and esthetic qualities of the bid, reliability, vendor's ability and facilities to provide the service called for, evaluation of the vendor's proper understanding of the County's needs, and price. The County reserves the right to extend said period. At the discretion of the County, the successful Vendor must provide Letter of Commitment within thirty (30) days of acceptance.

CANCELLATION

The County reserves the right to cancel the contract at will. If the Vendor fails to perform under the contract, fails to meet specifications, or fails to make satisfactory progress so as to endanger the overall contract performance, they may be determined to be in breach and the contract may be terminated by giving written notice to the Vendor of such termination and specify the effective date thereof, at least five days before the effective date of such termination. In such event, all finished or unfinished documents, data, and reports prepared by the Vendor under this contract shall, at the option of the County, become County property and the Vendor shall be entitled to receive just and equitable compensation for any work satisfactorily completed hereunder.

The Vendor shall not be relieved of liability to the County for damages sustained by the County by virtue of any breach of the contract by the Vendor, and the County may withhold any payments to the Vendor for the purpose of determining the exact amount of damages due the County.
